We will be writing to our local supermarket, hoping we will get a visit, and learning about how food travels around the world.</p>		

Vocabulary

At Derwendeg, we are focusing on developing the children's vocabulary. Developing children's speaking and listening skills are absolutely vital for their future chances with employers ranking verbal communication as the most important skill for employees. Please discuss the following vocabulary and meanings with your child at home.

Feel free to add your own words.

Higher level vocabulary (the children should be aiming to use as much of this as possible)	<ul style="list-style-type: none">● exercise● healthy● recipe● wellbeing● decisions
